“Advances in the Treatment of Aortic Aneurysms”

M. Ashraf Mansour, MD, MBA, FACS
Professor and Chairman
Department of Surgery, Michigan State University
Spectrum Health Medical Group

Lunch Provided

Objectives: At the end of the presentation, the audience will be able to:
1. Recognize the etiology, pathophysiology and incidence of abdominal aortic aneurysms (AAA).
2. Discuss present diagnostic methods and management options for AAA.
3. Summarize outcomes of surgical management of elective and ruptured AAA.
4. Discuss latest national trends in AAA management.

Summary of Financial Disclosure: All planners, reviewers and presenters have nothing to disclose. Commercial Support: No commercial support provided.

Accreditation Statement: Michigan State University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Michigan State University designates this live activity for a maximum of 1 AMA PRA Category1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Sparrow Health System is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The Sparrow Health System designates this program for a maximum of 1.0 of AOA Category 2-A credits and will report CME and specialty credits commensurate with the extent of the physician’s participation in this activity.
