“A personalized treatment approach to advanced colon cancer”

Jatin Rana, MD
Assistant Professor
Department of Medicine
Division of Hematology & Oncology
College of Human Medicine
Michigan State University

Lunch Provided

Objectives: At the end of the presentation, the audience will be able to:
1. Describe and understand appropriate testing for newly diagnosed advanced colon cancer.
2. Describe some hereditary and familial syndromes associated with colon cancer.
3. Recognize future directions of research to optimize treatment of advanced colon cancer.

Summary of Financial Disclosure: All planners, reviewers and presenters have nothing to disclose. Commercial Support: No commercial support provided.

Accreditation Statement: Michigan State University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
