“Role of Guidelines in Translating Research into Practice”

Michael D. Brown, MD, MSc
Professor and Chair
Department of Emergency Medicine
College of Human Medicine
Michigan State University

Mathew Reeves, BVSc, MS, PhD, FAHA
Professor, Department of Epidemiology and Biostatistics
Department of Emergency Medicine
College of Human Medicine
Michigan State University

Lunch Provided

Objectives: At the end of the presentation, the audience will be able to:
1. Explain why new standards for developing trustworthy guidelines where needed and how medical societies are striving to meet them.
2. Explain how the national guideline clearinghouse has started a report card on guidelines that meet their strict inclusion criteria.
3. Discuss the challenges related to developing systematic reviews that meet the IOM standards using the American Heart Association (AHA) 2017 Acute Stroke Guideline as an example.

Summary of Financial Disclosure: All planners, reviewers and presenters have nothing to disclose. Commercial Support: No commercial support provided.

Accreditation Statement: Michigan State University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Michigan State University designates this live activity for a maximum of 1 AMA PRA Category1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Sparrow Health System is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The Sparrow Health System designates this program for a maximum of 1.0 of AOA Category 2-A credits and will report CME and specialty credits commensurate with the extent of the physician’s participation in this activity.
