

CURRICULUM VITAE

Name:

Supratik Rayamajhi, MD, FACP

Address - Home:

1213 Eagles Point CT, East Lansing, MI 48823

- Office:

788 Service Road, B335 Clinical Center Building
Department of Medicine, College of Human Medicine
Michigan State University
East Lansing, MI 48824

- Email:

rayamajh@msu.edu

- Telephone:

517-226-2867

Citizenship:

Nepal
United States of America Permanent Resident
Established 10-4-12, Expires 10-4-22

Present Position:

Associate Professor of Medicine
Division of General Internal Medicine
Department of Medicine
College of Human Medicine, Michigan State University

Program Director, MSU Internal Medicine Residency
East Lansing, MI

Director, MSU CHM Advanced Medicine Clerkship
East Lansing, MI

Qualifications:

M.D.
Tribhuvan University, Nepal – 2006

Certification:

American Board of Internal Medicine - Internal Medicine,
2011

American Society of Hypertension (ASH), 2012
Certified Clinical Hypertension Specialist

ABQAURP – Utilization Management Peer Reviewer
Certificate, 2014

Licensure:

Michigan

**Professional & Society
Memberships:**

American College of Physicians
Member 2011-present
Fellow 2015

American Society of Hypertension
Member 2012 – present

Nepal Medical Council
Member

Nepal Medical Students Society (past vice, president elect)

Mountain Medicine Society of Nepal
Member

Alpha Omega Alpha Honor Society AWA, November 2016

Honors:

Outstanding University Teaching Faculty 2018-2019
Internal Medicine Residency

Rose Award for outstanding service in GME, 2017-2018

Research Teacher of the Year, voted by Internal Medicine
Residents, 2017-2018

American College of Physicians (Fellow), 2015

Gamma Chapter of Alpha Omega Alpha (MSU CHM)
Honor Society, 2016

Outstanding University Faculty Teacher Award
MSU Internal Medicine Residency, 2015

Outstanding University Faculty Teacher Award
MSU Internal Medicine Residency, 2014

Rose Award for outstanding contribution in Medical
Education
Michigan State University Internal Medicine Residency,
2014

Nomination from Department of Medicine

MSU College of Human Medicine (CHM)
Outstanding Clinician Award, - 2014

AAMC Minority faculty development seminar, Chicago
CHM Dean's office sponsorship award, 2012

Outstanding Senior Resident
Awarded by Michigan State University Internal Medicine
Residency, 7-1-10 to 5-30-11

Outstanding Senior Resident
Awarded by Sparrow Hospital, 7-1-10 to 6-30-11

Cash Award – National Kidney Foundation Annual
Conference, 2011

Semi-finalist: National case challenge
Journal Watch-Quantia MD, 2010

International TAF (Travel Assistance Funds) for:

1. Netherlands
First position in Annual International Tuberculosis
Paper Competition, 2003
2. Norway
International student meet, winning essay on “Peace
Process”, 2005
3. Egypt
Annual International Federation of Medical Students
Association IFMSA meeting, 2005 (country
representative)
4. Malaysia
Annual Asian Medical Students Association Meeting,
2005 (country representative)
5. Switzerland
Clinical Clerkship on Student Exchange Program of
IFMSA, 2005

Postgraduate Training:

Residency: Michigan State University (MSU)
Internal Medicine, 2008-2011

Professional Appointments:

Associate Professor of Medicine, Division of General
Internal Medicine, College of Human Medicine, Michigan
State University, East Lansing, MI
2018-present

Program Director, Michigan State University Internal
Medicine Residency, 2016 – present

Associate Program Director, Michigan State University
Internal Medicine Residency, 2015 – 2016

Director, Michigan State University, College of Human
Medicine, Advanced Medicine Clerkship, 2013 – present

Co-Director, Michigan State University Hypertension
Clinic, 2012

Assistant Professor of Medicine,
Division of General Internal Medicine, College of Human
Medicine, Michigan State University, East Lansing, MI
2011-2018

Edward W. Sparrow Hospital, Lansing, MI
Internal Medicine, Active Staff, 2011 – present

MSU Medicine Specialty Center, East Lansing, Active
Staff, Internal Medicine, 2011 – present

Administrative Activities:

MSU Department of Medicine:

DOM Physician Compensation Committee Task Force,
member, 2020

Peer Review & Quality Committee, member, 2020

Executive Committee, member-elect, 2015 – 2020;
committee chairperson, 2020-present

Faculty Advisory Committee, member, 2015 – present

MSU Internal Medicine Residency Program
Core faculty, 2012-2013
Residency recruitment, 2008-present
GME (Medical Residents) Training and Evaluation
Committee, 2012-present

MSU College of Human Medicine (CHM):

CHM representative for MSU HealthCare Common
Compensation Committee, 2020

Curriculum Development Group, MSU CHM Digestive Domain PBL, 2011-2017

CHM Student Performance Committee, 2016 – 8/15/2020

CHM CODE – Council of Diversity Education Committee, 2017-2018

American College of Physicians Faculty Champion for Internal Medicine Interest Group (IMIG) MSU CHM, 2016 – present

Hospital:

E.W. Sparrow Hospital

- IPAG Committee
- Inpatient Utilization Review (UR) Committee, 2012-present
- Electronic Medical Record (EMR) physician champion 2012 – present
- Inpatient physician advisory committee, 2012 – present
- EPIC Inpatient Physician Advisory Committee
- Medical Staff Executive Committee

National:

Alliance of Academic Medicine (AAIM)
Institutional Alliance Ambassador for AAIM, 2017-present

The New England Journal of Medicine (NEJM) Resident 360 Faculty Expert Panel “Practicing Stateside: Training as an International Medical Graduate” 2016 – present

Previous Volunteer Experience:

Cochrane Associate Editor for Clinical Answers, 2012-2013

Department of Nephrology at Henry Ford Health System, 2009

Co-investigator: Retrospective study on effect of iron repletion in platelet count change in erythropoietin treated iron-deficient non-dialysis CKD patients.

Rush University Medical Center, Illinois, 2007

Research Assistant: Effect of peri-implant growth factor on increase in bone mass around the implant

Country Coordinator: TB survey on KAP of medical students about tuberculosis in Nepal, 2004-2005

Nepal Medical Students Society (NMSS), Nepal
“Vice-President-Elect”, 2004-2005

International Federation of Medical Student’s Association,
2003-2004
(IFMSA)Anti-Tb Campaign, Nepal
“Regional Coordinator for Asia”

Grants:

Active:

A Smartphone-Based Device for Cuff-Less and Calibration-Free Blood Pressure Monitoring.
National Inst of Health
5/16/19-5/15/23
PI: Mukkamala, Ramakrishna
Co-I: Rayamajhi, Supratik

Epigenomics of Hypertension in Monozygotic Twins and Effect of Salt Intake. Prime Grantor: American Heart Association. Direct Grantor: Medical College of Wisconsin. Co-Investigator. PI – Kidambi. 2015-2019.

Caring for Patients with Chronic Conditions Project (CPCC): Integrating Internal Medicine Practice and Community-based Services for Older Adults with Chronic Conditions. Direct Grantor: Michigan Health Endowment Fund. Co-Investigator. 2019-2020

Pending:

Smart Phones as Cuffless BP Monitoring. Director Grantor: NIH. 4 year collaborative study with MSU Engineering Department. Submitted 2018.

Completed:

Clinical Risk Factors and Predictors of Venous Thromboembolism among Cancer Patients. Grantor: Center for Innovations and Research. Primary Investigator. 2016-2018

Clinical Risk Factors and Predictors of Venous Thromboembolism among Cancer Patients. Grantor: MSU Seed Grant. Primary Investigator. 2016-2018

Wells Score for Pulmonary Embolism: Do we really use it? Grantor: GMEI Resident-led Research Mini-Grant. Primary Investigator. 2017-2018

Do Sequential Compression Devices Prevent Venous Thromboembolism in Hospital Inpatients? Grantor: Sparrow GME Resident Grant. Primary Investigator. 2016

Submitted (but not funded):

Collaborative research: Wearable patches for 24 hour ambulatory blood pressure monitoring. Co-Investigator. Sponsor: National Science Foundation. Submitted 2018

Collaborative research: Cuffless Blood Pressure Monitoring via a Smart Phone. Co-Investigator. Sponsor: National Science Foundation. Submitted 2015

Ongoing Research with IRB Approval (not funded):

Evaluation of the HEART score for chest pain risk stratification in a community hospital Role: PI 2017

Predictive value of USMLE and COMLEX on ITE scores and board pass rates in a dually accredited residency program Role: PI 2017

Is computed tomography pulmonary angiography used appropriately for diagnosis of pulmonary embolism in the Sparrow Emergency Department? PI

Intramural:

MSU Student Lectures:

2020 Late Clinical Experience (LCE) – Advanced Skills & Knowledge (ASK) I – HM 651 “Acid Base Balance”

2019 Advanced Medicine Acid Base Lecture
MSU Advanced Medicine students

Department of Medicine Grand Rounds:

2017 Hypertension Update – Spring in the Backdrop

2015 Meditation and Medicine – A Mindful Overview

2013 Hypertension update – predicting JNC 8

2012 High Altitude Illness – with a Himalayan Perspective

2011 Into thin air – ABC's of high altitude illness

MSU Residency:

Resident Didactic Lectures:

2018

- High Altitude Illness/Respiratory Physiology – AMS, HAPE, HACE, and HAFE
- Hypertension in 2018 – Practice Dissection of the ACC.AHA Guideline
- ACP Mock Presentations
- Acid-Base Disorders
- Hypertensive Crisis

Core conferences:

2014 Sparrow/MSU Family Medicine residency - JNC

2013 MSU stroke fellowship: Hypertension and stroke- An Update

2012-16 Hypertensive emergencies

2012-16 Acid-base disorders
2013 Hypertension update – JNC 8

Journal Club presentations at Michigan State University
Internal Medicine Residency:

- 2008: Prevention of radiocontrast medium-induced nephropathy using short-term high-dose simvastatin in patients with renal insufficiency undergoing coronary angiography (PROMISS) trial—a randomized controlled study. American Heart Journal
- 2008 Erythropoietin, iron depletion and relative thrombocytosis - possible survival paradox. American Journal of Nephrology 2008.
- 2006: Novel Mechanism Contributing to Development of Dahl Salt–Sensitive Hypertension ; Role of the Transient Receptor Potential Vanilloid Type 1 (TRPV1). Hypertension

Morbidity and Mortality Conference:

- 2011: Acute encephalopathy in a teenager with herniating brain – it deserves more than Zyprexa
- 2010: A fatal case of influenza H1N1 pneumonia and retroperitoneal hematoma.
- 2009: A fatal case of hepato-renal syndrome.

Conference Attendances:

2018

- Alliance for Academic Internal Medicine Week, San Antonio, TX
- Accreditation Council for Graduate Medical Education (ACGME) Annual Education Conference; Orlando, FL
- Michigan American College of Physicians Resident’s Day
- Michigan American College of Physicians Fall Scientific Meeting; Traverse City, MI
- National American College of Physicians; New Orleans, LA

2017

- Alliance for Academic Internal Medicine (AAIM) Executive Leadership Development; Boston, MA
- Association of Program Directors in Internal Medicine (APDIM); Baltimore, MD

- Accreditation Council for Graduate Medical Education (ACGME); Orlando, FL
- Michigan American College of Physicians (ACP) Resident's Day
American College of Physicians (ACP) Annual Conference and Convocation Ceremony for FACP; San Diego, CA

2016

- Association of Program Directors in Internal Medicine (APDIM) Las Vegas, NV
- Association of Program Directors in Internal Medicine (APDIM) Washington DC
- Accreditation Council for Graduate Medical Education (ACGME) Annual Education Conference; Maryland
- Accreditation Council for Graduate Medical Education (ACGME) Clinical Competency Committee Workshop; Nashville, TN
- Michigan American College of Physicians (ACP) Scientific Meeting; Acme, MI

2015

- Association of Program Directors in Internal Medicine (APDIM); Atlanta, GA
- Association of Program Directors in Internal Medicine (APDIM); Houston, TX

2013

- Clerkship Directors in Internal Medicine (CDIM); New Orleans, LA
- American Society of Hypertension (ASH) Annual Meeting; San Francisco, CA

2012

- Association of American Medical Colleges Minority Faculty Development Seminar; Chicago, IL
