*Per the Michigan Medical Doctor Licensing Guide from the Office of Licensing and Regulatory Affairs (LARA), to maintain medical licensure, providers must certify that they have completed the following:

- A one-time training in identifying victims of human trafficking that meets the standards in [Administrative Rule 338.2413](#)
- A one-time training in opioids and controlled substance awareness that meets the standards established in [Administrative Rule 338.3135](#)
- One hour per year of Implicit Bias training that meets the standards in [Administrative Rule 338.7004](#)

Medicine Grand Rounds speakers on these topics are aware of the standards, and their presentations meet the criteria for licensing purposes.
