*Per the Michigan Medical Doctor licensing Guide from the office of Licensing and Regulatory Affairs (LARA), to maintain medical licensure moving forward, providers must certify that they have completed the following:

- A one-time training in identifying victims of human trafficking that meets the standards in [Administrative Rule 338.2413](#)
- A one-time training in opioids and controlled substance awareness that meets the standards established in [Administrative Rule 338.3135](#)

Medicine Grand Rounds speakers on these topics are aware of the standards, and their presentations meet the criteria for licensing purposes.
